Fairfield, Ohio 45014

NEW PATIENT INFORMATION

Welcome,

On behalf of the entire dental team of Liberty Dental Associates we would like to welcome you to our office. We have listed information we need for you to bring (or have sent to our office before your first visit) with you to your first appointment. These will help us get to know your health history better and provide the best treatment possible.

We are so excited that you have decided to entrust your care to our dental team. We will do all we can to keep your trust and confidence. And, if at any time you have any questions, please feel free to call us and get these answered. Good communication is the key to a healthy relationship between our team and each and every patient.

You are now a part of our family and again we welcome you. Make sure to bring the information listed (as well as anything additional our team may have asked for).

Thank you and God Bless.

Dr. Glenn E. Casteel
Liberty Dental Associates
I Thessalonians 5:16-18
