WE HAVE MOVED!!! NEW OFFICE Open House

Aug. 23, 2012 4:30-6:30 pm

If you haven't heard already we have moved to a new location in downtown Decatur. We can't tell you how excited we are to have made this change. Its an amazing location just off of 6th Avenue on Johnston St. We began remodeling in October 2011. Its been an experience that was designed by God every step of the way. Many people have asked us what prompted us to make this move. We knew we needed space to grow and Dr. Davenport was not ready to retire. In our new location we have been able to add another treatment room for those of you who come in for cleanings and want your treatment completed while you are here. We have a total of 3 hygiene

rooms and 3 treatment rooms now to meet your needs. We have created a space for patients to privately discuss financial options with Beth which we call our consult room. When you come into the office now you will be greeted by Heather who has taken over the role of schedule coordinator. Beth will be located just past the double doors leading to our treatment area. As you walk down our treatment hall you will notice green walls. Our treatment area is marked by those green walls. Our first three rooms are our hygiene rooms.

Reta is in room 1. Lori is in room 2. Magen, our orthodontic coordinator and hygienist is located in room 3. Treatment rooms 4, 5, and 6 are located along the back hallway. Our goal is for you to feel comfortable when you visit us. If you have questions about your visit or the new office please feel free to ask. We love giving tours of the new office so come by and see us. We will be scheduling a patient open house in the coming months as well. Please be on the look out for your invitation. As always thanks for letting us "Style Your Smile"

Beth

We Need Your Feedback

With the new office has come new technology. We purchased a new phone system when we moved in that gave us the option to have extensions. We created a menu so that when you call in to the office you are given the option of speaking to someone about appointments or speaking

to someone about your financial arrangements. When you call you are prompted to press "1" to schedule an appointment and "3" to speak to someone about your bill. We would like your feedback on how well you like this system. Our decision to keep the phone systems current

setup will be based on what you think. We want your experience to be easy and comfortable. If the phone system is not easy to use and you do not feel like you are reaching us in a timely manner. Its important to us that we answer your call on the first ring. Beth

ASB Moves To New Location

-At the intersection of Beltline and Hwy 31 head North on 31.

-Continue North on 31 until you get to Johnston St.

-Turn Left on Johnston St.

-We are the Third building on the Left
