

STYLE YOUR SMILE

VOLUME 3, ISSUE 1 JANUARY 2011

WELCOME TO 2011!

As I sit here at my desk surrounded by the Christmas cards you have sent I realize 2010 is quickly coming to a close. 2011 here we come. Its still December here at the office. We are celebrating Christmas like we do every year here at Alabama Smile Builders. Only a week ago we sent our Christmas cards to you. Can you believe it? Our staff Christmas party is next Thursday and we will be working only on the 20th and 21st. On the 22nd we will be closing for Christmas. It seems to me that after our Christmas break the year is gone. As I reflect on 2010 there were many changes and opportunities for growth. We learned many good things about our staff and what we can do together. We changed our clinical way of do-

ing things to expand your knowledge of what we can do for you. Together our staff has been able to recommend cosmetic treatment in such a way that you, the patient, have accepted more treatment than ever before. We are excited about those smile transformations we saw in 2010. We know there are many more coming in 2011. As we reflect even further on the exciting things we saw God do in Belize we are reminded just how blessed and loved we truly are. To coordinate a trip of 70 people to Belize and have everyone come back safe was truly remarkable. It was a testament to the things God can do when we allow Him to work. Our next trip will see smaller numbers go for various reasons but

we know it will be no less blessed. In 2011 we will begin a new year that will be in many ways the same as last year. We are going to Belize just like every year in February. We will be closed one week in the summer and we hope to be seeing as many of you in 2011 as we did in 2010. Next year at this time as I reflect on 2011 I hope I will be able to say our team is much stronger and more knowledgeable than in 2010. I hope after the new year begins we will see our team reach a higher potential. We hope you have a blessed 2011 and enjoy your Christmas season. Merry Christmas.

-Beth

We are currently working towards updating our website. Much of what was on there were things that were not current. The staff photos were photos we took last year and we have added a few members since then. We also are in the process of trying to update our smile gallery. With so many new cases being completed in just this year we should have so much more to show you. New patients have the ability to

print our paperwork from our website now so we are trying to direct them there. We hope to create a page dedicated to what our staff is like outside the office. We do quarterly meetings at offsite locations. We believe showing you what those are about is beneficial to your understanding of our office. We have also set up a page dedicated to the Belize mission trip. We are in the process of getting photos together of the last trip to show you some of the mission work we have done there. We also hope to be able to communi-

cate with you through email. You can click on the appropriate email address to get the answers you need. This would be a secured email as well. More and more the electronic communication is easier for people. We feel our website is a productive way to stay in touch with our patients. We hope you will utilize this more in the coming months. Hope everyone has a Merry Christmas and a great 2011 -Magen

ON CHRIST.

Hope to see you soon in 2011!

How to make Snow Cream

- 1 gallon snow
- 1 cup white sugar
- 1 tablespoon vanilla extract
- 2 cups milk

Directions:

When it starts to snow, place a large, clean bowl outside to collect the flakes. When full, stir in sugar and vanilla to taste, then stir in just enough milk for the desired consistency. Serve at once.

Enjoy!!
