Becoming the Downtown Dentist

For two years now we have been located in downtown Decatur. Its been a great experience so far. Working with the Chamber of Commerce on projects; becoming apart of the Downtown Business Association; and being apart of a renewed area of Decatur has brought a fun energy to our practice. We are so excited to see this area begin to thrive again. Between the new restaurants and new stores coming to the area; the downtown area is definitely something to check out. If you haven't been downtown in a while you should visit and of course while you are here stop in to see us for your check-up. Thanks for letting us

Summer is Here

Make Those Pearly Whites Shine
Bright

\$50 off any whitening procedure during the month
of July when you mention this ad.

**Look for special offers from us in the Month of May.
We have begun partnering with local businesses to offer you coupons and discounts when you come see us.*

Ask us about our smile simulations. We can show you the possibilities of a new smile. Simulations are free and give you a better understanding of what your smile results could look like.

HAVE A FANTASTIC SUMMER!
