*Goodall Family Dentistry is committed to providing the best treatment for our patients. As a healthcare provider our relationship is with you, not your insurance company. This statement has been prepared to prevent confusion and uncertainty regarding dental procedure and financial policies. Your insurance is a contract between you, your employer and the insurance company. We are not a party to that contract. However, we may be a participating provider for the network. If we are a participating provider, we will make contractual adjustments as outlined in our participation agreement with the plan or network when payments are received. It is your responsibility to understand the provisions of your plan. We cannot guarantee payments of all claims submitted. If your insurance pays only a portion of your bill or rejects your claim, any explanation should be made to you in writing from your insurance company. Any financial portion not covered by insurance will be patient responsibility.*

**COPAYS AND DEDUCTIBLES MUST BE PAID AT THE TIME OF EACH VISIT.**

Thank you for understanding the necessity of our financial policy. Please let us know if you have any questions or concerns regarding the above financial policy.

Goodall Family Dentistry gladly accepts Visa, MasterCard, Discover, Care Credit, Cash, and Checks.

**Please Read and Sign The Following Agreement:**
