

8962 Cleary Blvd., Plantation, FL 33324, (954) 915-8080 (O), (954) 915-0171 (F)

In response to the recent global COVID-19 pandemic, we are taking our part to ensure the safety and well being of our patients and staff. We are utilizing the most effective protocols to prevent transmission of COVID-19 by proper sterilization of all dental instrumentation, use of personal protective equipment, and disinfection of all communal and dental operatory surfaces. At this time, uSmile Dental Centers (Michael J. Friend, DMD, PA) will remain open to care for all dental emergencies and assist in any dental need should we conclude no additional risk is posed to our patients or staff.

Please respond Y/N (yes/no) to the following questions below:

Are you experiencing a dental emergency? _____

Have you traveled outside of the U.S. within the last 3 months? _____

Are you feeling cold/flu like symptoms/cough? _____

Are you over 60 years old? _____

Have you lost the sense of taste or smell? _____

Are you running a fever (now or in the past 14 days)? _____

Are you feeling shortness of breath or difficulty breathing? _____

Have you or anyone you been in contact with, contract COVID-19? _____

If you have answered yes (Y) to any of the above, please understand we have the right to refrain from caring for you at this time and will assist you in obtaining an appointment in the near future. Thank you for understanding our position to aid in eliminating this concern and promoting the best healthcare resolution for our patients while protecting you and our staff. Please be advised an additional Bio medical waste/PPE/universal precautions fee of \$15 will be applied to every visit to allow our office to assist you in your dental care needs.
