WE HAVE GUIDELINES FOR YOUR SAFETY

We hope that everyone has been staying safe and healthy during these crazy times. While we have been excited to see so many patients the last few months, we also understand that some patients are still apprehensive about coming in. To help ease any concerns that you may have, we want to let you know our safety procedures:

- Appointments are being spaced out to limit the amount of patients in the waiting room at one time
- Every patient is required to fill out a Covid-19 Screening Form and have their temperature taken upon arrival
- We are thoroughly disinfecting all areas & rooms between patients (bathrooms, operatories, door knobs, waiting room, etc.)
- As always, our office is following infection control recommendations made by the ADA, CDC, and OSHA

THE OFFICE WILL BE CLOSED NOVEMBER 26TH-27TH FOR THE HOLIDAY. PLEASE ENJOY THIS TIME WITH YOUR FAMILIES, AND CALL IF YOU HAPPEN TO HAVE A DENTAL EMERGENCY.
