INTRODUCING OUR COSMETIC CORNER

If you've been in the office recently, you may have noticed a few changes in the waiting room- and if you haven't been in, we can't wait for you to come by and see what we've created! At Dougherty Dental Solutions, we now have a new cosmetic corner for our patients to enjoy when they're here for their appointment. This cozy nook has tons of new additions including information for our new Skin Pen (used for micro needling), before & after photos showcasing a range of dental procedures, a coffee station, Botox and Filler information, Packaged Bundle Deals available, and more. We are also now an authorized distributor of AQ Pharmaceutical Grade Serums and have a variety of them in the office available for purchase. Please be sure to ask any questions about the products and services that we offer to see how they may help to enhance your smile.

We wish you all a very healthy, happy, and safe Holiday Season!
