

All Specialized Services

ADHD, Anxiety and Behavioral Health (including virtual visits)

We offer screening , full evaluation, diagnosis and medication management and monitoring of most behavioral conditions. Our services are more comprehensive and advanced than a general pediatric practice. Schedule your behavioral check up today.

Virtual Care

We offer virtual visits for all patients for an extensive variety of conditions. Call us today to schedule or schedule on the patient portal. **Virtual services start with your Pediatrician:**

<https://www.healthychildren.or..>

Virtual visit workflow: Once you have checked in, you are ready for your virtual visit. It is easy!

You will receive a link by text on your phone at the designated time.

Click at the link to get connected (give permissions to your device audio and camera).

You will be connected with your provider.

You may receive additional questionnaire to complete if needed .

How to prepare for your virtual visit ?

<https://www.healthychildren.or..>

Meet and Greet Visits

- Complimentary Meet and Greet visits for expectant mothers and new families: Meet your Pediatrician and his team, get your questions answered and tour the office prior to the birth of your baby or scheduling a visit.

After Hours Advice or Virtual Visit

- Reach your care team after hours to get any care related questions answered
- Consult your Pediatrician over a Virtual Visit

Travel Advice

We offer the following services with regards to your international travel:

- Pre-travel review
- Post-travel evaluation
- Immunization review and update, special immunizations
- Malaria prophylaxis
- Travel safety tips and precautions
