Broken Appointment Policy

CRESCENT DENTAL CARE is committed to quality dental care. In an effort to reduce the length between appointments, we are implementing the following.

Cancellation and broken appointment policies:

- 1. All appointments must be canceled 24 hours prior to the scheduled appointment time.
- 2. Appointment broken without notice will be charged a \$35 fee for half hour or \$70 for one hour. This fee will not be covered by any DENTAL INSURANCE plan. Patients with missed appointment will not be rescheduled until the balance is paid.
- 3. All patients with three missed appointments will no longer be seen in our facility.

It is very important to keep your dental appointments. Please help us in the effort to reduce the wait times for appointments. We ask that you abide by the above policies.

I understand the above broken appointment policies. I am aware of the charges to my account or my family account if proper cancellations are not followed. CRESCENT DENATAL CARE has the right to terminate services to patients that are not compliant with our policies.

Financial Policy

Payment is due in full at the time of service. If you have dental insurance, we will accept assignment from your insurance company for covered treatment. We do require that you pay in full for any non-covered portion of your care, including any deductible or co-payment, at the time of service. Extensive treatment programs should be paid ½ on the date of the initial treatment and the balance upon delivery or completion of the treatment. We accept most credit cards and debit cards. Any estimates given for a dental procedure are not guaranteed until Dr. Nehal Ali completes an oral exam to confirm the procedure. Dental diagnosis may change over time due to continuing progress of the disease resulting in the re-evaluation of the treatment plan. Your non-covered portion of any treatment that requires lab services must be paid in full on or before the date of delivery.

* A 1.5% interest rate will be charged on all unpaid balances on a monthly basis until the balance is paid in full.

PATIENTS WITH INSURANCE - PLEASE READ CAREFULLY

Dental insurance is a contract between you, your employer, and the insurance company. The percentage of coverage by your insurance company may be based on the company's own reduced fee schedule for dental services, and may be less than the actual charges resulting in lower coverage for you. We have no control over this situation. Lower payment is a direct result of the plan selected by your employer. Please be advised that we cannot waive co-payment. We are required by law to collect co-payment. An insurance to pay the covered portion. We urge you to follow up to insure that your insurance company makes payment on time.

I have read and understand the Financial Policy outlined above
