OFFICE POLICY FOR DR LAURI PASSERI

In developing treatment plans for our patients we are guided by the current standard of care within the dental profession. And likewise by our own high standards, ethics, and moral responsibility to our patients. Our job is to provide you with the highest quality care using the latest concepts and techniques in a clean and safe environment. In order to achieve this goal we need your assistance and complete understanding of our office policy

An appointment is confirmation that this time has been reserved for YOU and no one else. Please be courteous and give us at least 36 hours if you need to reschedule. If a patient has a habit of canceling appointments he/she may be asked to seek care elsewhere. If we are not given 36 hours notice, we reserve the right to charge a missed or canceled appointment fee.

Payment for services are due at the time services are rendered unless other arrangements have been made. For your convenience we accept cash, checks and credit cards. We also have a third party financing company if you need help with payments. At no time do we want financial problems to affect the payments on your account. If you run into such problems please contact us as soon as possible to make arrangements for your account.

For those who are enrolled in dental insurance we will be happy to assist you in the processing of your forms for reimbursement. We will wait up to 30 days for payment from your insurance company and make every attempt on your behalf to obtain payment. However after 30 days if payment is not received the amount will be due and payable by you the patient. Also be aware that dental insurance does not typically cover all services and a deductible may apply. Dental insurance is a contract between you/your employer and the insurance company.

The adult who accompanies the child to the appointment is responsible for payment at time of service

Checks returned from the bank have a \$35 processing fee or whatever fee the bank charges us.

By signing this policy you are giving informed consent and know you are able to ask any questions concerning your treatment/fees at any time. You are also consenting to the use of local anesthesia. If you prefer not to be numb, please advise Dr Passeri at your appointment. If you would like a printed copy of the treatment plan please ask prior to treatment being rendered.

If you have any concerns or questions , please let us know. We are here to help you!

I have read and understand the above office policy and will abide by the items mentioned above
