August 19, 2024

Dear Respected Patient,

I hope this letter finds you in good spirits. It is with a heavy heart that I share some deeply personal news with you. Due to my wife's ongoing health challenges, I have made the profoundly difficult decision to close my practice in Norwood. As much as I have valued our time together, I need to dedicate more time to supporting her through this challenging period. While I will be closing the Norwood office, I will continue my practice in Gloucester and hope to continue serving those who need my care there.

As I reflect on our time together, I am filled with gratitude for the trust and relationship we have built. Each appointment, every conversation, and all the moments we've shared have been a meaningful part of my life. I have truly cherished the opportunity to be a part of your healthcare journey and have deeply valued the personal connections we've developed. It is this bond that makes saying goodbye so difficult. I will miss you all dearly. Most especially, I will miss these personal relationships that we have developed over the years.

My last day at the Norwood office will be Tuesday, September 10th, 2024. Please know that I am committed to making this transition as smooth as possible for you. To help with this, I am more than willing to recommend several highly skilled and compassionate podiatrists in the Norwood area, who can provide you with the exceptional care you deserve. Your health and well-being remain my utmost priority.

To ensure your medical records are seamlessly transferred, please complete the medical record request form available on our website [www.norwoodpodiatrist.com](http://www.norwoodpodiatrist.com). You can email it to [drkelley@norwoodpodiatrist.com](mailto:drkelley@norwoodpodiatrist.com), or fax it to 781-255-7905. If you would prefer, you can call our office at 978-281-2550, and we will be happy to mail the form to you. Additionally, your new provider can request your records directly if that is more convenient for you.

Thank you, from the depths of my heart, for allowing me to be part of your life and for your unwavering trust over the years. Your support has meant more to me than words can express. While I will miss seeing you and hearing about your lives, I am hopeful that this change will lead to new opportunities for both of us. I wish you continued health, happiness, and all the very best in the future.

With heartfelt gratitude and warmest regards,

Dr. LeRoy J Kelley III
