

DERMATOLOGY

ASSOCIATES OF TAMPA BAY

FIVE THINGS TO KNOW

about Dermatology Associates of Tampa Bay

- 1 Dermatology Associates of Tampa Bay was founded by Dr. John L. Millns, who has been practicing in the Tampa Bay area for more than 30 years.
- 2 We are conveniently located at 6001 Memorial Highway in Tampa, near the Veterans Expressway and Tampa International Airport.
- 3 Our providers are experts in the treatment of skin cancers, but we also offer cosmetic procedures like Botox™, chemical peels and laser hair removal. All of our beautifying treatments are carefully administered to ensure quality and safety.
- 4 One of the most important services we offer is an annual skin exam. These quick, low-cost screenings can not only detect skin cancers and skin irritations, but also internal disorders that can manifest through the skin. An annual skin exam should carry the same weight as a routine mammogram or colonoscopy.
- 5 Our friendly office staff is always here to help. Please call with any questions about our treatments and services, or to make an appointment: (813) 884-1626.

MEET OUR TEAM

John L. Millns, M.D.

Dr. Millns has been in private practice for more than 30 years and takes pride in providing outstanding patient care in a comfortable setting. He is an expert in diseases of the skin, hair and nails. He

specializes in identification and treatment of skin cancers.

He completed his undergraduate studies at the University of Toledo and received his medical degree from Ohio State University. He trained at the Mayo Clinic in Rochester, Minnesota. He is Board Certified in Dermatology and Dermatopathology.

Dr. Millns enjoys teaching residents and students, and has published multiple articles and abstracts in the fields of clinical dermatology and dermatopathology.

He is a member of the American Academy of Dermatology, Florida Society of Dermatology and Dermatologic Surgery, Florida Society of Dermatologic Surgeons, American Society of Dermatopathology, International Society of Dermatopathology, and the College of American Pathologists.

He also is the Director for Gulf Coast Dermatopathology Laboratory.

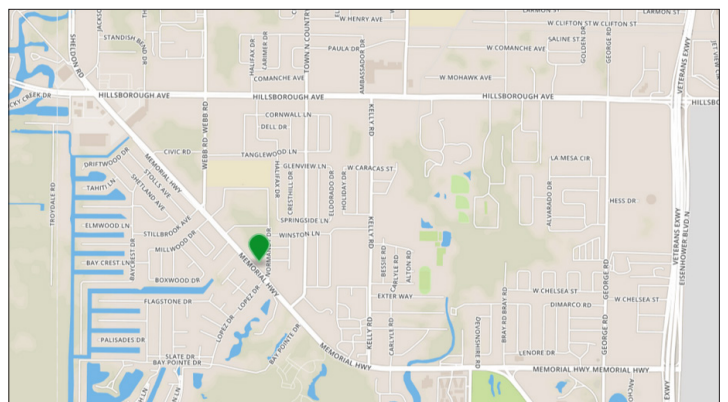

Laura Millns, PA-C

Laura Millns PA-C joined the practice in 2010. She is a native of Tampa, Florida. Laura completed her undergraduate studies at Wake Forest University in Winston-Salem, North Carolina, with a major in Biology and

a minor in Chemistry. She then went on to complete her Masters of Medical Science degree in Physician Assistant Studies at Midwestern University in Phoenix, Arizona.

Laura is a fellow of the American Academy of Physician Assistants, Florida Academy of Physician Assistants, and the Society of Dermatology Physician Assistants. She enjoys all aspects of Medical Dermatology, Dermatologic Surgery, and loves to work with our cosmetic patients as well.
