

# Michigan Advanced Dentistry

*Strive to thrive. Vibrant smiles. Healthy lifestyles.*

## Job Title: Dental Hygienist

### Who are we?

At Michigan Advanced Dentistry, we strive every day to provide excellence in patient care. Our mission is to help patients thrive with vibrant smiles and healthy lifestyles. Sharing this mission enables us to provide the highest quality dental care and wellness coaching. We are looking for a candidate who embodies these values and is excited to learn and share with patients, the community and beyond!

### Roles and Responsibilities

- Patient screening procedures (including but not limited to) assessment of oral health conditions, review of health history, oral cancer screening, dental charting, taking of blood pressure/pulse
- Radiograph administration
- Calculus/Plaque removal and treatment of various periodontal conditions
- Preventative maintenance
- Patient education on oral hygiene strategies
- Hygiene schedule maintenance and patient follow up
- Dentrax system documentation
- Nutritional counseling and the correlation on oral health

### Qualifications and Skills

- Registered Dental Hygiene license/Certification (required)
- 1 + year(s) dental hygiene experience (preferred)
- 100% commitment to providing high quality patient care
- Positive team player with quick learning abilities and strong work ethic
- Excellent interpersonal skills
- Ability to move with agility in a fast-paced work environment

### Job Type

- Part time-2 days per week (potential to increase hours in the future)
- Benefits may apply

### Why work here?

Are you looking to work for a holistic family dental practice with a patient centric culture and positive working environment? If you share in these values, Dr. Oppenlander's office is the place for you! Our office environment will empower you to provide the highest quality dental care to our patients while feeling valued as a part of ONE team.

If you are ready to make a difference in patients' lives, please Email your resume and cover letter to [officemgr@michiganadvanceddentistry.com](mailto:officemgr@michiganadvanceddentistry.com) and include the job title in the subject line
