

## Seeking Full Time Associate Dentist in Southwest Michigan

### Who are we?

At Michigan Advanced Dentistry, we strive every day to provide excellence in patient care. Our mission is to help patients thrive with vibrant smiles and healthy lifestyles. Sharing this mission enables us to provide the highest quality dental care and wellness coaching. We are looking for the right doctor for an associate position who embodies these values and is excited to learn and share with patients, the community and beyond!

Our office provides more of a holistic approach to patient care with nutritional counseling, sleep apnea, Botox (AAFE membership), that has attracted new patients without the need for outside marketing.

Our office is scheduling months out, still room for growth. We are very conveniently located between Ann Arbor/Detroit and Chicago, 45 minutes to Lake Michigan!

### Procedures to be performed

Including, but not limited to:

- mercury free/metal free/BPA free restorations
- crowns
- bridges
- veneers
- esthetic cases including smile design
- dentures/partial dentures
- dental implants/restoration of implants
- certain selected endodontic cases
- simple extractions
- sleep apnea diagnosis and treatment
- myofascial pain and trigger point treatment
- Botox treatment
- state of the art preventive care
- pedodontics

We are continually researching and adding new treatment options for our patients. One of our objectives is to provide growth opportunities for our associates to expand their clinical skills and allow them to grow personally and professionally within our practice.

## **Why work here?**

Are you interested in working with a holistic family dental practice that embodies a patient centric culture, positive working environment with enthusiastic and skilled team members, and modern ergonomically designed clinic and technology? If you share in these values, Dr. Oppenlander's office is the place for you! Our office environment will empower you to provide the highest quality dental care to our patients while feeling valued as a part of ONE forward focusing team.

If you are interested in this unique opportunity, please contact us at [officemgr@michiganadvanceddentistry.com](mailto:officemgr@michiganadvanceddentistry.com)
