Insurance

Our financial coordinator will make every effort to explain your benefits and costs to you. She will estimate your portion and deductible. This amount will be due at the time of service. We are happy to file your claim forms for you and we are available to assist you to the best of our ability.

Note: Your insurance is a contract between you, your employer and the insurance carrier. We are not a party to that contract. If you have a problem with your insurance coverage, we ask that you speak directly to your insurance company. Your charges in our office are your responsibility from the date the services are rendered. We do not base your diagnosed treatment on your insurance coverage. We base it on your needs and desires. We take pride in the quality care we offer our patients and make every effort to have your dental visits with us be as comfortable as possible.

Thank you for reviewing our financial policy. We make every effort to explain your costs to you and to avoid misunderstandings so that we can focus on your dental health. If you have any questions please ask. We are here to assist you.

I have read, understand and agree to abide by this policy. I have been given the opportunity to receive a copy of this document.
