Financial, Insurance & Payment Information Following Today's
Appointment

- Your initial personal payment (not copay) made today has been applied to your account.
- If you have dental insurance, we will send the total of all services provided, as referenced on the invoice/walkout statement given to you today, to your insurance company. In general, it takes approximately 4-6 weeks to receive payment from an insurance company. ***(NOTE: we are capable of submitting insurance claims to only two(2) insurance companies. You, the patient, would be responsible for submitting claims to any additional insurance companies beyond the two).***
- Once your insurance company(ies) make(s) payment to our office, we will send you an invoice for any remaining unpaid balance. If the amount paid by the insurance company(ies) creates a credit on your account, we will send you a refund for that amount.
- If you have any questions regarding your account, please contact our Front Office Manager, Jenn, at (715) 345-7740.

Thank you. Please don't hesitate to contact our office regarding any questions you may have.
