You have the right to inspect and copy your protected health information. This means you may inspect and obtain a copy of protected health information about you that is contained in your chart, including medical and billing records and any other records that your dentist and the practice uses for making decisions about you. Under federal law, however, you may not inspect or copy the following records: information compiled in reasonable anticipation of, or use in, a civil, criminal, or administrative action or proceeding; and protected health information that is subject to law that prohibits access to protected health information. You may also request that any part of your protected health information not be disclosed to family members or friends who may be involved in your care or for notification purposes as described in this Notice. Your request must state the specific restriction requested and to whom you want the restriction to apply. Your dentist is not required to agree to a restriction that you may request. If your dentist believes it is in your best interest to permit use and disclosure of your protected health information, your protected health information will not be restricted. If your dentist does agree to the requested restriction, we may not use or disclose your protected health information in violation of that restriction unless it is needed to provide emergency treatment. With this in mind, please discuss any restriction you wish to request with the office privacy contact. You may request a restriction by speaking with the office manager who is the privacy contact.

You have the right to request to receive confidential communications from us by alternative means or at an alternative location. We will accommodate reasonable requests. We may also condition this accommodation by asking you for information as to how payment will be handled or specification of an alternative address or other method of contact. We will not request an explanation from you as to the basis for the request. Please make this request in writing to our Privacy Contact.

You may have the right to have your provider amend your protected health information. This means you may request an amendment of protected health information about you in a designated record set for as long as we maintain this information. In certain cases, we may deny your request for an amendment. If we deny your request for amendment, you have the right to file a statement of disagreement with us and we may prepare a rebuttal to your statement and will provide you with a copy of any such rebuttal. Please contact our Privacy Contact to determine if you have questions about amending your medical record.

You have the right to receive an accounting of certain disclosures we have made, if any, of your protected health information. This right applies to disclosures for purposes other than treatment, payment or healthcare operations as described in this Notice. It excludes disclosures we may have made to you, for a facility directory, to family members or friends involved in your care, or for notification purposes, or disclosures for which you have signed an authorization. You have the right to receive specific information regarding these disclosures that occurred after February 11, 2018. You may request a shorter timeframe. The right to receive this information is subject to certain exceptions, restrictions and limitations.

You have the right to obtain a paper copy of this Notice from us, upon request, even if you have agreed to accept this Notice electronically.
