Instructions for Downloadable Forms

Welcome to our office! Thank you for choosing Children's Dental Center of New Hampshire to provide your child's dental care. We make it our goal to exceed your expectations and we know that you will experience outstanding treatment in a caring, comfortable, and fun atmosphere.

ENROLLMENT FORMS

To facilitate the ease of your first visit with us, we offer downloadable forms; please fill them out as completely as possible. Be sure to sign: 1) the HIPAA form, 2) the registration form, and 3) the two-page medical/dental history. We need all completed paperwork sent to our office **before** your child's visit.

You can email the forms to hello@childrensdentalnh.com, mail them to our address, or fax them to 603-673-2422. Should you have any questions or concerns, feel free to call so that we may assist you.

TRANSFER OF RECORDS

If you are transferring from another office, we include a form to have your records forwarded to us. Please email, fax, or mail this transfer form to your prior dentist as soon as you can; we will be able to provide a comprehensive exam if we have the records **before** your child's visit. At Children's Dental Center of New Hampshire we have a conservative radiographic policy and we may not require x-rays depending upon the age and quality of those from your prior dentist.

PREMEDICATION

Some children need to take premedication with antibiotics prior to a dental visit. If your child has a condition which may necessitate premedication, we require a letter from your child's physician. The letter must state *whether or not* premedication is required. This information can be emailed to hello@childrensdentalnh.com, faxed to 603-673-2422, or mailed.

Welcome to our practice and we look forward to a long relationship with your family!
