

FRAGILE HANDLE ME WITH CARE

Here at Bayshore Dental Images, we understand not everyone enjoys their time in the dentist chair; and that's ok! We're here to help you feel more comfortable and enjoy your experience with us. If you have any of the concerns below or any of your own, please let us know so that we can attempt to ease some of your apprehensions during your visit with us.

- My teeth are very sensitive
- I gag easily
- I feel out of control when I am lying down in the dental chair.
- I have not been to the dentist for a long time and I feel uncomfortable about what you will say or think about my teeth and / or dental hygiene.
- I know I have some bad habits that are causing harm to my dental health. Some of these are: _____

- I have difficulty listening and remembering what I hear while sitting in the dental chair.
- I don't like shots, or I've had a bad reaction to shots.
- I don't like the sound of the tool that makes the picking and scraping noise & / or the noise of the drill.
- I don't like being left alone in the treatment area.
- I don't like seeing the dental instruments
- I have back / leg / neck problems and have trouble sitting for a long time.
- I have other concerns not listed on here that I would like to talk about before we start:
