Care to Share

The program that
pays to share because
sharing is caring...

Sikka Dental strives to lead our dental practice to help appreciate all of our patients. This new program is designed to benefit everyone who participates.

How does
Care to Share work?

Every existing patient that brings in a new patient will get a \$50 credit to their next dental treatment needed. The new patient will receive a \$75 credit as a welcome gift for their next dental treatment needed. Both the new patient and existing patient will receive this credit and may use it immediately.
