ACKNOWLEDGMENT

I acknowledge that I have read and I understand the information on both pages of this consent form (or that it has been read to me). I understand the information contained in it, including all of the technical terms, about which I have asked if unsure. I have been given an adequate opportunity to ask whatever questions I had about the treatment. All of the questions about the treatment have been answered in a satisfactory manner.

I understand that the success of this treatment and the avoidance of treatment complications depends to an extent upon my complying with the oral hygiene and dietary restrictions that have been explained to me, my following the instructions given to me, and my keeping the appointments for treatment or follow-up office visits scheduled or recommended. I also understand that I am to notify the dentist immediately of any suspected complication(s), where further treatment may be discussed, or administered, which is not currently anticipated.

I hereby authorize and direct Dr. Chris Doucet and/or associates or assistants of his choice, to perform the diagnostic, surgical or dental treatments. This consent form will remain valid until revoked by me in writing. All blanks were filled in prior to my signature. I waive any further disclosures or information.

OUR FINANCIAL POLICY

Dear Patient:

Thank you for choosing us as your health care provider. The following is or Financial Policy. Our main concern is that you receive the proper and optimal treatments needed to restore your health. Therefore, if you have any questions or concerns about our payment policies, please do not hesitate to ask our office manager.

We ask that all patients read and sign our Financial Policy as well as complete our Patient Information Form prior to seeing the doctor.

Payment for services is due at the time services are rendered. We accept cash, checks, and for your convenience, MasterCard, Visa and Discover. We will be happy to help you process your insurance claim for your reimbursement as long as you bring a completed claim form at each visit.

In special instances, we may accept assignment of insurance benefits. However, you must understand that:

- 1. Your insurance policy is a contract between you, your employer and the insurance company. We are NOT a party to that contract. Our relationship is with you, not your insurance company.
- All charges are your responsibility whether your insurance company pays or not. Not all services are a
 covered benefit in all contracts. Some insurance companies arbitrarily select certain services they will not
 cover, or arbitrarily select UCR (usual and customary rates) for certain benefits.
- 3. Fees for these services, along with unpaid deductibles and co-payments are due at the time of treatment.
- 4. If the insurance company does not pay your balance in full within 30 days, we ask that you contact the carrier to help speed things up.
- 5. If the insurance company does not pay in full within 45 days, we require you to pay the balance due with cash, check, MasterCard, Visa or Discover.
- 6. Returned checks and balances older than 45 days may be subject to additional collection fees and interest charges of 1 1/2% per month.

Please note that, unless canceled at least 24 hours in advance, you may be charged for missed appointments at the rate of a normal office visit. Please call if you have to reschedule.

Again, thank you for choosing us as your health care provider. We appreciate your trust in us and we appreciate the opportunity to serve you.
