Covid-19 Post Appointment Form

To keep our community safe, we are implementing a contact tracing protocol. If you develop any symptoms listed below 48 hours after your dental appointment, please do the following:

- 1. Seek immediate medical attention and possibly get tested for COVID-19.**
- 2. Please let us know by phone (770.445.1314) or email (info@lifesmilesofnewhope.com) so that we may contact anyone that you may have encountered at your dental visit.**
- 3. Thank you for doing your part to keep yourself and our community safe.**

Symptoms to look for

- 1. Fever (>100.4°F), chills**
- 2. Cough (not due to allergies)**
- 3. Difficulty breathing or shortness of breath**
- 4. Recent loss of smell or taste**
