

## Pre-Operative Instructions for IV SEDATION

1. **No food or drink (including water) six (6) hours prior to surgery time.** Small sips of water can be used for *daily medications* (ex. Blood pressure medication) but DO NOT take any pain medication(s).  
**Special Instructions:**
2. **Driver will have to wait inside lobby the entire time.** Vehicle must remain on property. No public transportation, Lyft, Uber, etc.
3. Please make arrangements for small children. Please do not bring any extra parties.
4. **Legal guardian/ parent must accompany minors (under 18);** Due to HIPAA, DHEC and OSHA regulations, ONLY THE PATIENT will be brought back into the surgery room!
5. Patients with asthma are asked to **bring** their **inhalers**.
6. Please advise office of any recent blood donations prior to surgery. **Reschedule if you feel ill.**
7. Wear comfortable **short sleeve “loose fitting” clothing. No perfume or dark nail polish.**
8. **Financial obligations will be handled prior to surgery. Please do not wait till surgery date to address finances as this delays surgery time.** Care Credit payments can be made in person or website. 4% upcharge on debit/credit cards with account holder having to be present or payment can be made over the phone. No personal checks accepted; only Certified or Cashier Bank Check.
9. There may be a \$ 50.00 no-show fee. **Late arrivals will be re-scheduled.**
