HIPAA Compliance Patient Consent Form

Our Notice of Privacy Practices provides information about how we may use or disclose protected health information.

The terms of this notice may change, if so, you will be notified at your next visit to update your signature/date.

You have a right to restrict how your protected health information is used and disclosed for treatment, payment, or healthcare operations. The HIPAA (Health Insurance Portability and Accountability Act of 1996) law allows for the use of the information for treatment, payment, or healthcare operations.

By signing this form, you consent to our use and disclosure of your protected healthcare information. You have the right to revoke this consent in writing, signed by you. However, such a revocation will not be retroactive. Copy of Privacy Policies supplied by request.

By signing this form, I understand that:

- Protected health information may be disclosed or used for treatment, payment, or healthcare operations.
- The practice reserves the right to change the privacy policy as allowed by law.
- The patient has the right to revoke this consent in writing at any time and all full disclosures will then cease.
- The practice may condition receipt of treatment upon execution of this consent.

May we discuss your dental condition with any member of your family? YES NO

DENTAL OFFICE FINANCIAL AGREEMENT

Thank you for choosing us as your dental care provider. We are committed to your treatment being successful. Please understand that payment of your bill is considered part of your treatment. The following is a statement of your financial policy which we require that you read and sign prior to any treatment.

GENERAL:

Understand that regardless of any insurance status, you are responsible for the balance due on your account. You are responsible for any and all professional services rendered. This includes but is not limited to: dental fees, surgical procedures, tests, office procedures, medications, and also any other services not directly provided by the dentist.

CONFIRMED APPOINTMENTS:

We do our part in making sure you are aware of your pending future appointments. Unless we receive confirmation in advance of 24 hours, your reserved appointment will be given to another patient.

INSURANCE:

Please remember your insurance policy is a contract between you and your insurance company. We are not a party to that contract. As a courtesy to you, our office provides certain services, including a pre-treatment estimate and filing insurance claims, which we send to the insurance company at your request. It is physically impossible for us to have knowledge and keep track of every aspect of your insurance. It is up to you to contact your insurance company and inquire as to what benefits your employer has purchased for you. If you have any questions concerning the pre-treatment estimate and/or fees for services, it is your responsibility to have these questions answered prior to treatment to minimize any confusion on your behalf.

Please be aware some or perhaps all of the services provided may or may not be covered by your insurance policy. Any balance is your responsibility whether or not your insurance company pays any portion.

Deposit Policy:

Due to the extensive amount of time our staff and doctor devote to preparing and reserving uninterrupted time for appointments over 2 hours OR over \$1500.00, we require a deposit of half (50%) of the treatment fee to make your reservation. If you fail to provide 48 hours notice of cancellation this deposit will be FORFEITED. Habitual missed appointments are grounds for dismissal from the practice.

PAYMENT:

FULL PAYMENT is due at time of services. If insurance benefits apply. ESTIMATED PATIENT CO-PAYMENTS and DEDUCTIBLES are due at the time of service, unless other arrangements are made.

Unpaid balance over 90 days will be subject to monthly interest of 1.5% (APR 18%). If payment is delinquent, the patient will be responsible for payment of collection, attorney's fees, and court costs associated with recovery of the monies due on the account.

The parties agree that in the event of a dispute over any payment or fee due to Plateau Family Dentistry by the undersigned, the Circuit Court of Cumberland County shall have exclusive jurisdiction and venue for any litigation filed.

I have read, understand, and agree to the terms and conditions of this Financial Agreement.

RADIOGRAPH CONSENT FORM

EFFECTIVE 01/01/2020:

NEW PATIENTS (1st time at our office): I understand that I am required to have radiographs (x-rays) taken as part of a complete and thorough exam so that Dr. McShan can thoroughly diagnose any oral or dental diseases that may be present (some of which can ONLY be detected with radiographs/x-rays). Failure to accept this treatment will result in dismissal from the practice.

EXISTING PATIENTS (Patients of record): I understand that I am required to have radiographs (x-rays) taken as part of a complete and thorough exam so that Dr. McShan can thoroughly diagnose any oral or dental diseases that may be present (some of which can ONLY be detected with radiographs/x-rays) AT A MINIMUM OF EVERY 2 YEARS. Failure to accept this treatment will result in dismissal from the practice.

Please remember that your dental insurance policy is a contract between you, possibly your employer and the insurance company. This Practice is not a party to that contract and therefore cannot guarantee that any or all services will be covered. Please keep in mind that you are responsible for the total amount should your insurance benefits result in less coverage than anticipated. Before proceeding with treatment, we will provide a written estimate of fees. Although we try to get accurate information about insurance benefits and coverage before treatment, we cannot guarantee what the insurance company will pay, if anything, until the claim is submitted, and the insurance company pays the claim. It is not unusual for insurance companies to give us erroneous information about coverage or benefits. This is important because you are responsible for all treatment charged, whether your insurance company provides any benefits or not. Remember we do not treat according to your insurance. We treat you as an individual and care about your dental health. We are dedicated to providing the best treatment available to our patients.

By signing this you agree to the terms of the treatment proposed for you and acknowledge and agree to any financial obligations not paid for by your insurance company.

CANCELLATIONS AND CONFIRMING APPOINTMENTS

Our desire is to provide every patient with the treatment they need, along with the special attention they deserve. We do not overbook patient appointments. However, **we will DOUBLE BOOK any unconfirmed appointment.** As a courtesy to our patients, we will remind you of your appointment 7 days prior and answer any additional questions you might have. If we are unable to reach you one business day before your appointment by 2pm Monday-Thursday, it is considered an **unconfirmed appointment** and will be taken off our schedule. Please insure you have provided us with phone number(s) and/or email address(s) where we can best reach you or leave a voicemail/text-message/email during daytime hours. If you know you will be unable to keep your appointment, please call us as soon as possible.

So that we can accommodate all our patients needs, we ask that you provide us 24 hours notification if you are unable to keep a scheduled appointment.

We do understand that circumstances do arise that are beyond your control. **For patients who consistently break appointments without 24 hours' notice and/or after having confirmed their appointments, we do reserve the right to no longer see you in our practice.** The decision to terminate/fire a patient will be determined on a case-by-case basis and the patient will be notified in writing.

I understand the policy for broken and/or unconfirmed appointments whereby I have not provided a 24-hour notification for a cancellation.
