## FINANCIAL AGREEMENT

Thank you for choosing Sapon & Swisher Dental as your dental care provider. We are committed to the success of your treatment. Please understand that payment of your bill is considered part of your treatment. The following is a statement of our financial policy. We require you read and sign prior to any treatment.

### INSURANCE:

Dental insurance is a contract between the patient and the insurance company. At no time should insurance benefits compromise your doctor's diagnosis, treatment recommendations, or affect your choice of treatment. **Sapon & Swisher Dental is not responsible for knowing the specifics of your dental coverage.** Real time benefits are subject to your eligibility, plan limitations, deductibles, and annual maximums at the time the claim is processed.

Any treatment provided may not be covered by your insurance. Please know that we file your claim(s) with your insurance company as a courtesy to you, to limit financial responsibility. However, our practice has a contractual obligation with your insurance company to collect what they have indicated is your responsibility. Should you receive a bill from us regarding your visit here, we recommend you contact your insurance company for more detail. They will have information regarding your policy's specific guidelines and limitations.
