

COVID FAST FAQs

Some things to know prior to your Covid Vaccine Appointment

- **TLC Currently has Moderna Vaccine for all ages for the Primary Series Only (2 doses given 4 weeks apart) – No Boosters Yet**
- **If you have had Covid Recently please wait 2 weeks prior to scheduling your appointment**
- **Please call the morning of your appointment or the night before if you are sick or have fever and will be unable to receive the vaccine.**
- **Your Covid Vaccine and Flu Vaccine can be received at the same time. When scheduling please advise the front desk if you would like to receive the flu vaccine as well**
- **The Primary Series is a total of 2 vaccines for all age groups. When scheduling your initial appointment, you will be given a second appointment for the second dose so that we save the vaccine for your child on that day ONLY.**
- **You will be given a vaccine card for your child at the first appointment. Please bring your vaccine card to your second appointment so that the nurse can complete it with information about the second dose**
- **Please fill out electronic consent prior to your appointment and send back to TLC.**
