### Adding Convenience to Your Life

Life is busy. Juggling your day-to-day and staying on top of your family's health care can be a challenge, but we've set up our new portal to help. Our practice's online tool at <https://mph.pcc.com/portal> lets you communicate with us easily, any time and from anywhere.

You can access your child's medical records on your smartphone through My Pediatric Home's secure patient portal at <https://mph.pcc.com/portal>.

Using your secure password and user ID, you can log into our practice at <https://mph.pcc.com/portal> 24/7 from your home or office. All you need is a mobile phone, tablet device, or a computer with internet access.

### Information You Can Access Through My Kid's Chart

When you access our patient portal, you can review a complete health information summary for each child in your care, including:

- Most recent physical date
- Upcoming appointments
- Historical visits
- A summary of labs and medical tests
- A problem list, allergy list and medications list
- A complete immunization record

You can download or print your child's immunization record directly from My Pediatric Home's <https://mph.pcc.com/portal>, and you can review a detailed visit summary for any appointment.

### Secure Messaging

You will be able to communicate with your pediatrician by sending and receiving secure messages via our portal.
