IFEA SECRETARY REPORT 2014

This is my fourth report as an IFEA executive member. I would like to say that it is a very much privilege and a great honor for me to have the opportunity to serve as the Secretary since 2010.

Following the 2013 Annual General Assembly Meeting (AGM) held on May 26, 2013 in Tokyo Japan, the Secretary prepared and emailed Minutes of the meeting to the Officers, Board of Directors and Country representatives for comments, additions and corrections. Some minor comments were received and I revised the Minutes and circulated. It was sent to the Immediate Past President to be put on the IFEA website.

After the 2013 AGM in Japan, the Secretary has contacted previous member but currently nonmember country representatives such as Hong Kong, and nonmember country representatives such as Egypt and Indonesia who showed interest in the membership of IFEA. The Secretary invited them to our organization. The Egyptian Society of Endodontists showed strong interest in joining and the Secretary sent the society the membership application and IFEA By-Laws through the email. The Egyptian Society of Endodontists already submitted its membership applications.

The Secretary also interacted with the Country Contacts and IFEA Regents. The Secretary contacted each country member and searched their web site to provide a link to their country web site for the IFEA web site and Annual Country Reports. The Secretary continued to update the contact information of the 35 component associations/societies. Each individual society has provided the list of its new Officers and contact information.

For the preparation of this Meeting, the Secretary contacted Meeting Services of the American Association of Endodontists and Gaylord National Resort & Convention Center for our meetings. Confirmation of the time and venues for IFEA meetings were set early and the Secretary has announced it three times.

The Secretary has announced the calling for the nomination of the Officers and Regents.

Several requests were sent by the Organizing Committee of the 10th World Endodontic Congress to the Secretary regarding updated contacts of member societies. The Secretary replied with the recent contacts of the member societies.

Finally, I have happily enjoyed this executive position with President Patrick Bogaerts, President-elect Sam Dorn, Treasurer Mark Wotzke, and Immediate Past President Joe Maggio, who have been actively working to keep and improve our organization on a fruitful way with deep insights so as to improve world endodontics.

Respectively submitted

Luke Sung Kyo Kim
