Located in Glendale, Queens with on-site parking, EMU Health is the go-to surgical center for pediatric dental care under general anesthesia. Our state-of-the-art facility is designed to provide a safe, seamless, and stress-free experience for pediatric patients who need advanced pediatric dental surgery under general anesthesia.

🦷 Expert Pediatric Dental Team – Our highly skilled team of pediatric dentists specializes in pre-operative dental procedures under general anesthesia, ensuring the highest level of care for every patient.

🦷 Pediatric Dental Surgery Consultations: We treat pediatric patients under general anesthesia for the following and more: Special needs, severe gag reflex, complications with local anesthesia, severe dental anxiety. Procedures include: pulpotomies, crowns (silver and white), extractions, fillings, and more.

🦷 Effortless Referrals & Seamless Communication – We keep you in the loop, providing full continuity of care between your practice and ours.

🦷 Certified AAAHC Article 28 Surgical Center – EMU Health meets the highest standards for safety and quality in pediatric dental surgery. We proudly accept the following pediatric dental plans only: DentaQuest (Fidelis, Healthfirst, Molina), Emblem, Medicaid, Cigna, MetLife, Delta Dental, Blue Cross/Blue Shield (commercial only), Healthplex (MVP) and Humana Dental Plan.

🦷 Want to Perform Your Own Cases at EMU? – We welcome referring dentists to use our facility for their own anesthesia cases! Just give us a call, and we'll set everything up for you.
